

SPACER CONNECT UK

TRADE TOOLS MADE EASY

Are you are looking for an innovative but simple toolbox product which can save you money by speeding up your install and precision fit ? Then Spacer connect could save you costly snagging charges

Just put a box of 25 in your toolbox for peace of mind

Grommets comply as do bushes and couplers , but they don't help expensive snags especially in tiled areas!! you never get the perfect fit !! with spacer connect you can with confidence.

This product is designed for high end installers that appreciate quality and precision professional fit in tiled areas and high value finishes

UK Manufactured 10 year guarantee
